

# Maximize opportunities to win and keep customers

In a connected world, delivering a great customer experience is more essential than ever to differentiating your business, building loyalty, and maintaining your reputation. This is where CRM solutions come in, but a lot of businesses see CRM as too complex.

With Microsoft Dynamics CRM Online it doesn't have to be complicated.

It is easy to use and works seamlessly with familiar tools like Office 365

It is flexible—you decide when to use the tools in CRM to help your business

It is hosted by Microsoft, so you can focus on your business and your customers

## 3 areas where Dynamics CRM Online can help your business

### Opportunity Management

Make it easy for everyone in your organization to get the information needed to deliver great customer experiences

### Mobile Productivity

Empower your sales and service teams to do their best work from virtually anywhere on any device

### Business Insight

Get visibility into your organization to make informed decisions and grow your business

Opportunity management

Customer service

Marketing automation

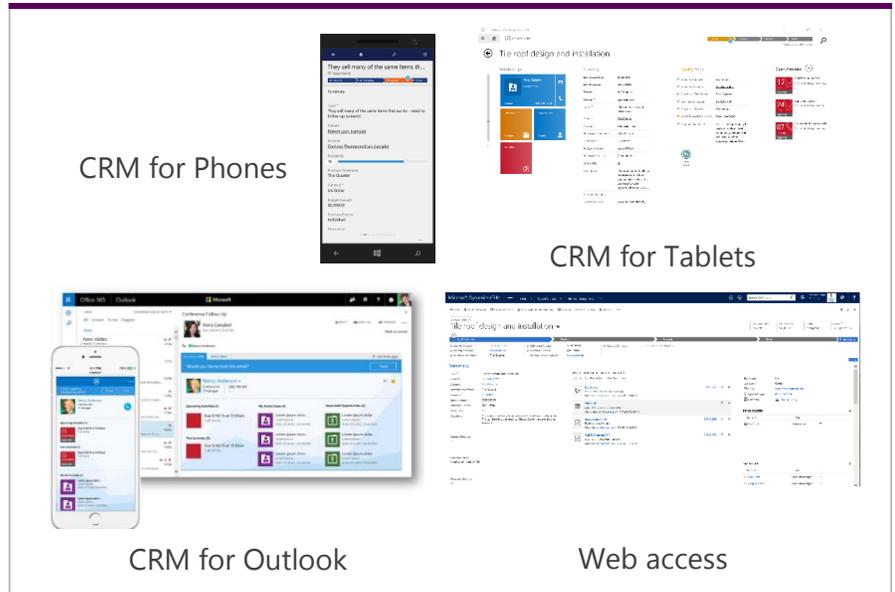

# Microsoft Dynamics CRM Online

A breadth of tools. An affordable price. At your pace...

...with access anywhere on any device

- Opportunity Management/Sales**
- Customer Care/Service**
- Marketing Automation**

- CRM for Phones
- CRM for Tablets
